CHAIRMAN REMARKS

H.E. ROS SEILAVA

**SECRETARY OF STATE,
MINISTRY OF ECONOMY AND FINANCE**

In 2025, the Cambodian economy faced increasing challenges and uncertainties arising from both global and regional dynamics. Key challenges include shifts in international trade policies – particularly the imposition of reciprocal tariff measures by the United States – which affected export competitiveness in certain sectors. In addition, the rise of transnational online scam operations posed risks to financial integrity and investor confidence. Furthermore, the tensions related to the Cambodia–Thailand border situation have contributed to geopolitical uncertainty, with potential implications for trade, tourism, and cross-border economic activities.

In response, the Royal Government of Cambodia implemented comprehensive and timely measures across all sectors. Key priorities include strengthening institutional capacity, enhancing law enforcement and digital governance, diversifying the economic base, promoting domestic production, and reinforcing Cambodia’s competitive advantages. These strategic interventions have contributed to sustaining economic resilience while advancing greater national economic self-reliance. At the same time, growing national unity and increasing support for domestic products have further strengthened economic activity. As a result, despite ongoing global and regional uncertainties, Cambodia’s economy is projected to grow by approximately 5.3% in 2025.

As part of its contribution to Cambodia’s economic growth, CGCC adopted a more innovative approach in 2025 to enhance its guarantee business. This included the introduction of the Wholesale Guarantee Scheme (WGS) and the Economic Stimulus Guarantee Scheme (ESGS), which provide more practical and responsive solutions to market demand for credit guarantee services. Furthermore, the Board of Directors has consistently emphasized the importance of CGCC’s role in supporting economic growth while strengthening its operations through active engagement with all stakeholders, particularly Government entities, development partners, and participating financial institutions (PFIs).

The Board of Directors of CGCC is pleased to note that CGCC approved 6,417 guaranteed accounts in 2025, with a total approved guaranteed loan amount of USD 264.57 million. Of these approved accounts, 89% were micro, small, and medium enterprises (MSMEs), and 47% were women-owned businesses. Sector-wise, among the total approved accounts, 90% were in the service and trade sectors, 6% in the industrial sector, and 4% in the agricultural sector. We are also encouraged by CGCC’s continued efforts to strengthen MSME capacity through its Entrepreneurship Program Initiative of CGCC (EPIC), which benefited 205 MSMEs in 2025. In addition, CGCC expanded its partnerships by onboarding one new PFI, eight local partners, and one international partner. On the bond guarantee side, CGCC successfully executed its first USD 10 million bond guarantee transaction through a counter-guarantee arrangement.

As Chairman of CGCC, I would like to extend my sincere thanks to the Ministry of Economy and Finance, the National Bank of Cambodia, PFIs, international development partners, and other stakeholders for your valuable support in achieving CGCC’s mission. I would also like to take this opportunity to express my appreciation to the management and staff at all levels of CGCC for their dedicated efforts in fulfilling their roles with responsibility, professionalism, and proactivity in building and strengthening credit guarantee mechanisms to enhance financial inclusion and contribute to national economic development. CGCC’s achievements would not have been possible without your collective support.

Finally, I would like to wish you the five gems of Buddha’s Blessings: Longevity, Nobility, Health, Strength and Wisdom.

Sincerely yours,

Ros Seilava
Chairman of CGCC

CEO REMARKS

CGCC has entered its fifth year of operations. In 2025, we revived our long-term direction by formulating the CGCC Strategic Business Plan 2026–2030, ensuring stronger alignment with the Government’s strategy, particularly the Pentagonal Strategy – Phase 1. Through this plan, we aim to contribute to Cambodia’s economic growth by promoting credit additionality, economic additionality, and financial inclusion, while maintaining self-sustainability.

In 2025, we undertook significant transformations to strengthen CGCC as an institution and to solidify a strong foundation for future growth.

First, we transformed our legal framework. We carried out a comprehensive revision of credit guarantee agreements across all schemes—Individual Guarantee (IG), Portfolio Guarantee (PG), and Wholesale Guarantee (WG). These revisions were designed to enhance clarity, consistency, and alignment with our elevated governance and standards.

Second, we transformed our guarantee schemes. We launched the Economic Stimulus Guarantee Scheme (ESGS) to replace the Business Recovery Guarantee Scheme (BRGS). While BRGS limited our flexibility in adjusting guarantee coverage and fees, ESGS marked a turning point. In 2025, we began implementing adjustable guarantee coverage and pricing, enabling better risk management and improved sustainability. In addition, we introduced the Wholesale Guarantee (WG), which significantly expanded our guarantee base, improved our NPG ratio management, and enabled PFIs’ existing loans to benefit from zero risk weight treatment on CGCC-guaranteed loans.

Third, we transformed our processes. We digitalized various internal workflows through 365.CGCC and expanded both the scale and scope of our Guarantee Management System (GMS). Today, our GMS is capable of accommodating bulk applications from PFIs, and we are on track to enable API integration with PFIs and obtain ISO certification for our GMS.

Last but not least, we strengthened our people. Plenty of opportunities were created for our team to be exposed to new challenges and learning environments. Different groups of our staff attended study visits and training programs in Australia, Thailand, the Philippines, and South Korea.

In 2025, CGCC approved the highest guarantee volume in the past five years. Guarantees were approved on loans amounting to USD 264.57 million, exceeding the total approved guaranteed loans from 2021 to 2024 combined. Cumulative approved guaranteed loans reached USD 521.28 million, while the outstanding guaranteed amount stood at USD 200.26 million. Our non-performing guarantee (NPG) ratio improved significantly, declining from 10.62% at the end of 2024 to 7.7% at the end of 2025.

CGCC’s total assets increased to USD 263.6 million, while liabilities amounted to USD 12.2 million, resulting in shareholders’ equity of USD 251.4 million. Net profit for the year was USD 11.59 million, driven primarily by investment income, while operational profit remained negative.

Looking ahead to 2026, the environment in which CGCC operates is expected to become more challenging. Economic conditions and the banking sector outlook remain uncertain due to factors such as the Cambodia–Thailand conflict, U.S. tariffs, scam-related issues, and other external uncertainties. Nevertheless, I strongly believe that CGCC can continue to make a meaningful impact in this complex environment.

We will further strengthen our role in supporting access to finance and Cambodia’s economic growth through several key initiatives. First, we will adopt risk-based coverage and risk-based pricing to better balance risk and returns. Second, we will continue to deploy Wholesale Guarantee strategically to balance good and stressed loans, as well as guarantees on new and existing loans. Third, we will introduce IGPlus, targeting exceptional borrowers by allowing them to submit an Expression of Interest directly to CGCC for guarantees of up to USD 10 million per loan, with joint credit assessment conducted by CGCC and PFIs. Fourth, we will expand Portfolio Guarantee with selected PFIs to support promising SME segments, particularly those producing local goods and services. Fifth, we will increase our guarantees on debt securities. Finally, we will continue to build the CGCC Standard through consistent and incremental improvements across all aspects of our operations.

In closing, I would like to express my sincere gratitude to the Ministry of Economy and Finance and other Government entities for their continued support. CGCC’s progress in 2025 would not have been possible without our partner banks and microfinance institutions, and I extend my appreciation to all of them. Last but not least, I would like to thank all CGCC employees for their hard work, dedication, and professionalism.

Best regards,

Lida NO
CEO of CGCC

LAUNCH OF WHOLESALE GUARANTEE

The Wholesale Guarantee (WG), launched in January 2025, is designed to provide guarantees on existing business loans of Participating Financial Institutions (PFIs). The scheme aims to share credit risk with PFIs and reduce the risk weight on the guaranteed portion, which in turn enhance the capacity of the PFIs to extend new lending to their target customer.

Key Progress of WG (as of 31 December 2025):

Total Guaranteed Accounts (GAC): **3,783**

Total Guaranteed Loans (GLN): **USD 153 million**

Participating PFIs:

LAUNCH OF ECONOMIC STIMULUS GUARANTEE SCHEME (ESGS)

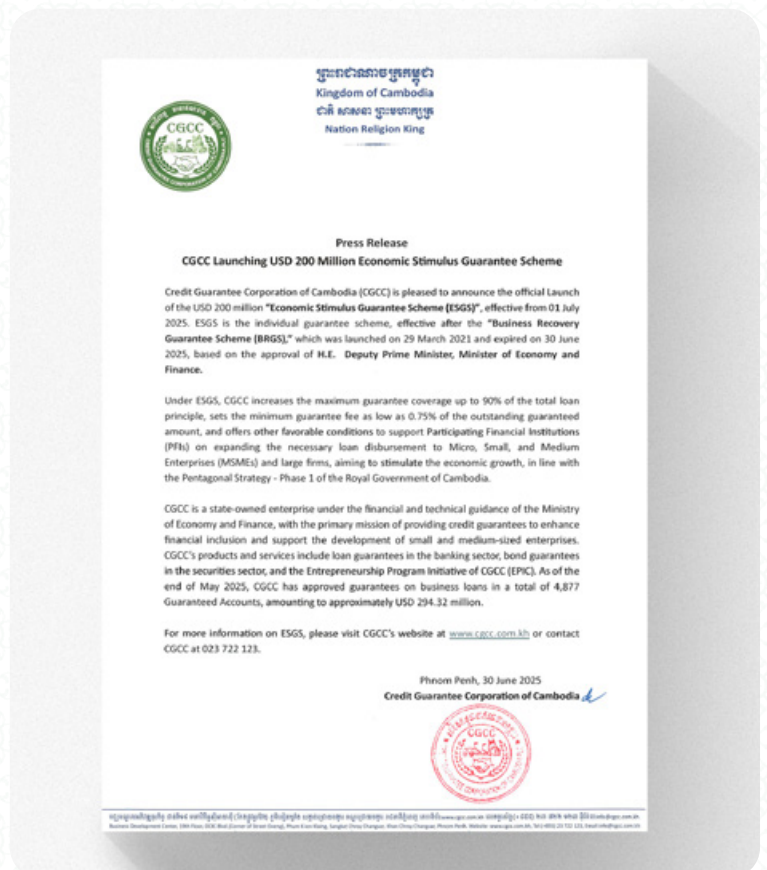

ESGS was launched in July 2025, after the expiry of the Business Recovery Guarantee Scheme (BRGS). ESGS aims to support economic growth, in line with the Pentagonal Strategy – Phase 1 of the Royal Government of Cambodia, by enabling Participating Financial Institutions (PFIs) to expand loan disbursement to Micro, Small, and Medium Enterprises (MSMEs) and large firms through higher loan guarantee coverage and favorable terms and conditions.

Key Progress of ESGS (as of 31 December 2025):

Total Guaranteed Accounts (GAC): **291**

Total Guaranteed Loans (GLN): **USD 44.58 million**

Participating PFIs:

FIRST BOND GUARANTEE

In 2025, CGCC activated a Counter-Guarantee Deed with an international financial counterparty, marking a key milestone in its bond guarantee operations.

CONCLUSION OF INVESTMENT SUPPORT FACILITY (ISF)

ISF program, launched in May 2024 and concluded in October 2025, is a blended finance mechanism established to enhance competitiveness in Cambodia's post-harvest fisheries sector by combining project grant funding, guarantee loans, and equity investment from enterprises, with financial support from the European Union (EU), and jointly implemented and managed by UNIDO and CGCC.

SME Building Capacity and Capability (BCC) Program with Maybank

CGCC was pleased to further strengthen partnership with Maybank (Cambodia) in advancing SME financial literacy and long-term business sustainability. Besides providing guaranteed loans to businesses, CGCC and Maybank have been co-organizing the long-term growth of SMEs through the Building Capacity & Capability (BCC) program, a flagship initiative designed to further equip SMEs with essentials business skills and knowledge. Since 2022, CGCC and Maybank have collaborated to co-organize seven BCC programs, reflecting the joint commitment to go beyond providing financial access by equipping SMEs with the capabilities, confidence, and connections needed to grow, even amidst today's increasingly complex global economic conditions.

SME Building Capacity & Capability (BCC) Program Workshop on 08 August 2025 in Battambang Province. The workshop brought together rice exporters and rice millers from northwest Cambodia and surrounding provinces, offering practical insights into buyer expectations, market readiness, and strategic business partnerships in an evolving trade landscape.

SME Building Capacity & Capability (BCC) Program Workshop on "Building Cambodian Brands and Products", on 16 October 2025, aimed to provide practical tips and methods for building a trusted and competitive brand identity in both local and international markets. Additionally, it focuses on building capacity in key business operations, including management, market expansion, production, and cashflow management and financial reporting.

Training Course on "Access to Financing" by FASMEC in 4 provinces

In February and March 2025, CGCC participated in training courses on "Access to Financing" for SMEs organized in cooperation with the Federation of Associations for SMEs of Cambodia (FASMEC) and Mekong Inclusive Ventures (MiV), with support from the Skill Development Fund (SDF), where CGCC representatives shared insights on its credit guarantee mechanism to enhance financial inclusion and support SME growth. The programs held in Phnom Penh, Svay Rieng Province, Kampong Speu, and Kampot, were attended by approximately 25 business owners in each sessions.

2025 DIRECTORS' REPORT AND AUDITED FINANCIAL STATEMENT

CREDIT GUARANTEE CORPORATION OF
CAMBODIA (CGCC)

DIRECTORS' REPORT AND AUDITED FINANCIAL
STATEMENTS FOR THE YEAR ENDED
31 DECEMBER 2025

CREDIT GUARANTEE CORPORATION OF CAMBODIA REPORT OF THE BOARD OF DIRECTORS

The Board of Directors submits this report together with the financial statements of Credit Guarantee Corporation of Cambodia ("the Company") as at 31 December 2025 and for the year then ended.

The Company

Credit Guarantee Corporation of Cambodia is a state-owned enterprise established by Sub-Decree No. 140 ANKR.BK dated 1 September 2020. The Company is operating under the technical and financial guidance of the Ministry of Economy and Finance ("MEF"). The Company was incorporated on 3 November 2020 and domiciled in the Kingdom of Cambodia.

The registered and operating office is located at Business Development Center, 19th Floor, OCIC Boulevard, (corner of Street Oveng), Phnum Kien Klaing, Sangkat Chroy Changvar, Khan Chroy Changvar, Phnom Penh, Cambodia.

As at 31 December 2025, the Company had 72 headcounts, of which 69 headcounts are employees and 3 headcounts are interns (31 December 2024: 58 headcounts, of which 57 headcounts are employees and 1 headcount is an intern).

Principal activities

The principal activity of the Company is the provision of credit guarantee services.

Results and dividends

The results of the Company's operations for the year ended 31 December 2025, and the state of its affairs as at that date, are set out in the accompanying financial statements.

Following approval from the MEF on 20 December 2023, the Company's dividends shall be distributed solely based on the net profit from guarantee operations, which exclude profit earned from other operating activities other than guarantee operations.

The Board of Directors does not recommend the payment of any dividends in respect of the year ended 31 December 2025.

Bad and doubtful debts

Before the financial statements of the Company were prepared, the Board of Directors took reasonable steps to ascertain that action had been taken in relation to the writing off of bad debts and the making of an allowance for doubtful debts and had satisfied themselves that there were no known bad debts and that adequate allowance had been made for doubtful debts.

At the date of this report, the Board of Directors is not aware of any circumstances which would render it necessary to write off any bad debts or the amount of allowance for doubtful debts in the financial statements of the Company inadequate to any substantial extent.

Assets

Before the financial statements of the Company were prepared, the Board of Directors took reasonable steps to ensure that any assets which were unlikely to be realised in the ordinary course of business including their values as shown in the accounting records of the Company had been written down to an amount which they might be expected so to realise.

At the date of this report, the Board of Directors is not aware of any circumstances which would render the values attributed to the assets in the financial statements of the Company misleading.

Valuation methods

At the date of this report, the Board of Directors is not aware of any circumstances which have arisen which render adherence to the existing methods of valuation of assets or liabilities of the Company misleading or inappropriate.

Contingent and other liabilities

At the date of this report, there does not exist:

- (i) any charge on the assets of the Company which has arisen since the end of the year which secures the liabilities of any other person; and
- (ii) any contingent liability in respect of the Company which has arisen since the end of the year.

In the opinion of the Board of Directors, no contingent liabilities or other liabilities of the Company have become enforceable, or are likely to become enforceable within the period of twelve months after the end of the year which will or may affect the ability of the Company to meet its obligations as and when they fall due.

Change of circumstances

At the date of this report, the Board of Directors is not aware of any circumstances not otherwise dealt with in this report or the financial statements of the Company which would render any amount stated in the financial statements misleading.

Items of material and unusual nature

- (i) the results of the operations of the Company for the year were not substantially affected by any item, transaction, or event of a material and unusual nature; and
- (ii) no item, transaction, or event of a material and unusual nature has arisen in the interval between the end of the year and the date of this report which is likely to affect substantially the results of the operations of the Company for the financial year in which this report is made.

Issue of shares and debentures

During the financial year, no new issue of shares or debentures was made by the Company.

Board of Directors

The members of the Board of Directors during the year and at the date of this report are:

Name	Position
H.E Ros Seilava	Chairman
H.E. Dr. Mey Vann	Member
H.E. Yea Bunna	Member
H.E. Kith Sovannarith	Member
Mr. Sreng Samork	Member
Mr. No Lida	Member

Directors' benefit

Since the end of the previous year, the directors have not received or become entitled to receive any benefit by reason of a contract made by the Company or a related corporation with the directors or with a firm of which the director is a member, or with a Company in which the director has a substantial financial interest other than as disclosed in the financial statements.

Neither during nor at the end of the year, was the Company a party to any arrangements where the object is to enable the directors to acquire benefits by means of the acquisition of shares in, or debentures of the Company or any other body corporate.

Significant event subsequent to the end of the year

There is no significant event subsequent to the end of the year.

Auditors

The Company's financial statements as at 31 December 2025 and for the year then ended were audited by Grant Thornton (Cambodia) Limited.

Board of Directors' responsibilities in respect of the financial statements

The Board of Directors is responsible for ensuring that the financial statements give a true and fair view of the financial position of the Company as at 31 December 2025, and of its financial performance and cash flows for the year then ended. The Board of Directors oversees the preparation of the financial statements by Management who is required to:

- i. adopt appropriate accounting policies which are supported by reasonable and prudent judgements and estimates and then apply them consistently;
- ii. comply with CIFRS Accounting Standards as adopted by the Accounting and Auditing Regulator of Cambodia ("ACAR"), based on IFRS Accounting Standards as issued by the International Accounting Standards Board ("IASB") or, if there has been any departure in the interest of fair presentation, ensure this has been appropriately disclosed, explained and quantified in the financial statements;
- iii. maintain adequate accounting records and an effective system of internal controls;
- iv. prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Company will continue operations in the foreseeable future; and,
- v. set overall policies for the Company, ratify all decisions and actions that have a material effect on the operations and performance of the Company, and ensure they have been properly reflected in the financial statements.

The Board of Directors is responsible for safeguarding the assets of the Company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board of Directors has confirmed that the Company has complied with these requirements in preparing the accompanying financial statements.

CREDIT GUARANTEE CORPORATION OF CAMBODIA
REPORT OF THE BOARD OF DIRECTORS (CONTINUED)

Statement by the Board of Directors

In the opinion of the Board of Directors, the accompanying statements of financial position, comprehensive income, changes in equity and cash flows, together with the notes thereto, have been properly drawn up and present fairly, in all material respects, the financial position of the Company as at 31 December 2025, and of its financial performance and its cash flows for the year then ended in accordance with CIFRS Accounting Standards as adopted by the ACAR, based on IFRS Accounting Standards as issued by the IASB.

On behalf of the Board of Directors:

H.E. Ros Seilava
Chairman

Phnom Penh, Kingdom of Cambodia
23 March 2026

Independent auditor's report

To the Shareholder of
Credit Guarantee Corporation of Cambodia

Opinion

We have audited the financial statements of Credit Guarantee Corporation of Cambodia ("the Company"), which comprise the statement of financial position as at 31 December 2025, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to financial statements, including material accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2025, and of its financial performance and its cash flows for the year then ended in accordance with CIFRS Accounting Standards as adopted by the Accounting and Auditing Regulator of Cambodia, based on IFRS Accounting Standards as issued by the International Accounting Standards Board.

Basis for opinion

We conducted our audit in accordance with Cambodian International Standards on Auditing ("CISAs"). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code") together with the ethical requirements that are relevant to our audit of the financial statements in the Kingdom of Cambodia, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Certified Public Accountants and Auditors

Grant Thornton (Cambodia) Limited is a member of Grant Thornton International Ltd (Grant Thornton International). References to "Grant Thornton" are to the brand under which the Grant Thornton member firms operate and refer to one or more member firms, as the context requires. Other information

The Board of Directors is responsible for the other information. The other information comprises the Report of the Board of Directors, but does not include the financial statements and our auditor's report thereon which we obtained prior to the date of this auditor's report, and the annual report, which is expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the financial statements

The Management of the Company is responsible for the preparation and fair presentation of the financial statements in accordance with CIFRS Accounting Standards, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with CISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with CISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
